INNOVATING TAPES FOR LASTING PERFORMANCE

Innovating Tapes for Lasting Performance represents our commitment to developing high-quality adhesive solutions that stand the test of time.

OUR COMPANY

Founded in 2024 by Mr. Vinit Bhanushali, Shiv Packaging Industries started with a single machine and has since grown into a 15,000 sq. ft. facility in Bhiwandi. We are now a leading manufacturer of BOPP tapes in India, serving both domestic and international markets.

With over 20 years of industry experience, we specialize in high-quality BOPP tapes known for their durability and tensile strength. Guided by experts Mr. Vinit Bhanushali and Mr. Deepak Bhanushali, we leverage state-of-the-art technology at our Bhiwandi facility to deliver reliable, cost-effective adhesive solutions.

Our commitment to quality and timely service has earned us the trust of clients worldwide. At Shiv Packaging Industries, we value growth through collaboration, setting new benchmarks in the packaging industry.

OUR MISSION

OUR MISSION

The graphic features a green textured background with a white, torn-edge rectangular cutout. The words "OUR MISSION" are written in a black, italicized serif font within the cutout. A small, cylindrical roll of green material is positioned on the left side of the cutout.

Our mission is to provide safe, durable, and reliable adhesive solutions that meet the evolving needs of our customers. We believe in growth through collaboration and mutual partnerships, fostering long-lasting relationships built on trust and respect. Our core values of honesty and integrity guide every aspect of our business, driving us to deliver exceptional value to our customers.

OUR VISION

Our vision is to lead the global packaging industry by setting high standards in quality, innovation, and sustainability. We aim to evolve with advanced technology, offering top-notch adhesive solutions to meet diverse customer needs. Through integrity and collaboration, we strive to build lasting relationships and be a trusted partner, setting benchmarks in the industry.

PLAIN TAPES

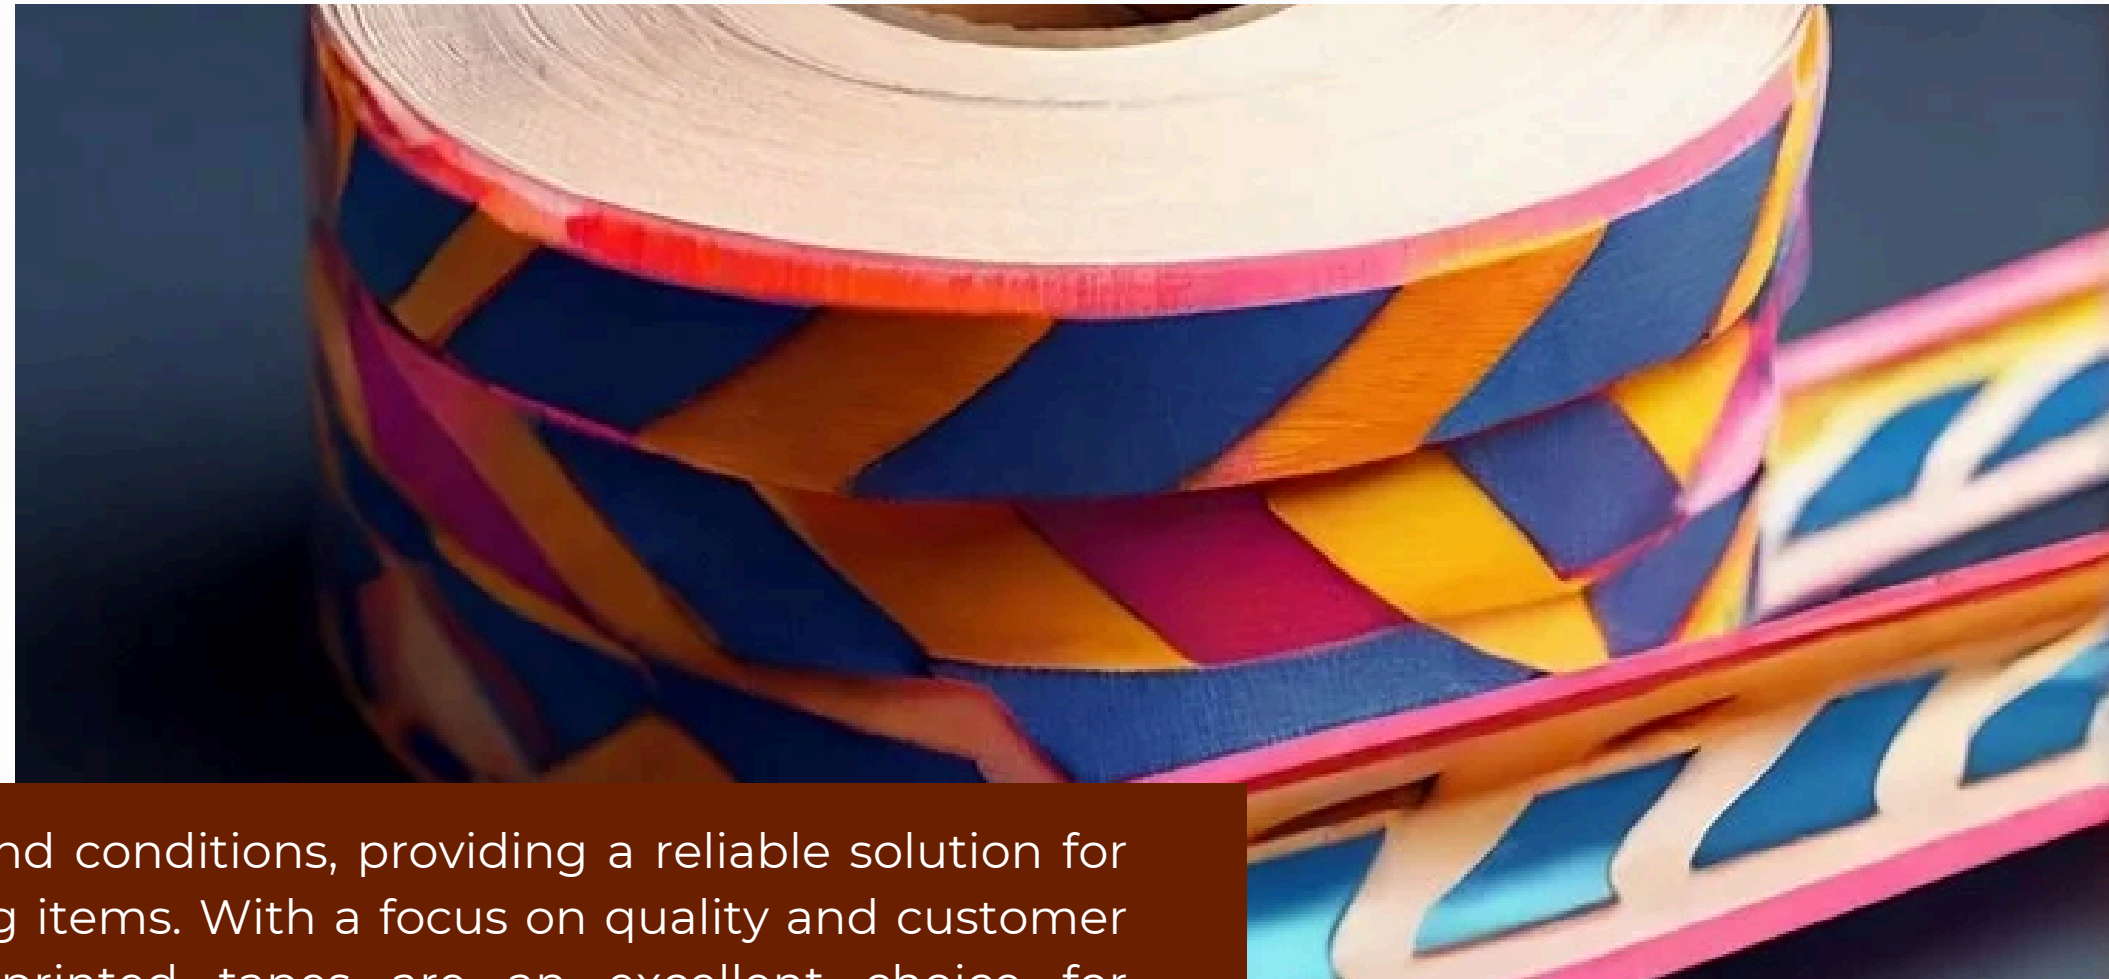

Plain tapes from Shiv Packaging Industries are versatile and reliable, designed to meet a wide range of packaging needs. These tapes are unprinted, making them a simple and cost-effective choice for sealing boxes, parcels, and other packaging materials. The lack of printing allows for a clean and professional appearance, suitable for any business or personal use.

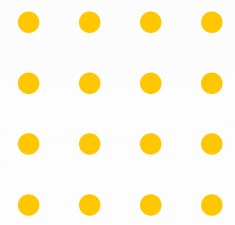

PRINTED TAPES

Printed tapes are an essential product offered by Shiv Packaging Industries, designed to cater to various packaging needs with both functionality and branding in mind. These tapes are customizable, allowing businesses to print their logos, messages, or any desired graphics directly onto the tape. This customization helps in promoting brand identity and ensuring the security of packaged goods. Shiv Packaging Industries' printed tapes are made from high-quality materials, ensuring durability and strong adhesive properties.

They are suitable for a range of surfaces and conditions, providing a reliable solution for sealing boxes, parcels, and other packaging items. With a focus on quality and customer satisfaction, Shiv Packaging Industries' printed tapes are an excellent choice for businesses looking to enhance their packaging processes while also boosting their brand visibility.

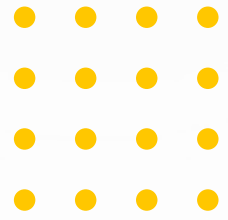

COLORED TAPES

Colored tapes are another versatile product offered by Shiv Packaging Industries, ideal for a wide range of applications in both industrial and commercial settings. These tapes come in various colors, allowing for easy identification, color-coding, and organization of packages, inventory, or workspaces. The vibrant colors ensure high visibility, making them suitable for marking hazards, distinguishing different sections, or simply adding a touch of personalization to packaging.

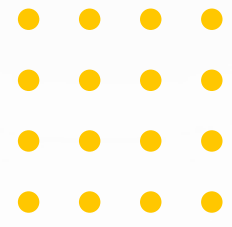

Shiv Packaging Industries' colored tapes are manufactured using high-quality materials, ensuring strong adhesion, durability, and resistance to wear and tear. They are available in different widths and lengths to meet diverse requirements

JUMBO ROLLS

Jumbo rolls are a key offering from Shiv Packaging Industries, designed to meet the demands of high-volume packaging and industrial applications. These rolls are significantly larger than standard tape rolls, providing an economical and efficient solution for businesses with substantial packaging needs. By reducing the frequency of roll changes, jumbo rolls help to streamline operations and increase productivity. Shiv Packaging Industries' jumbo rolls are made from top-quality materials, ensuring excellent adhesive strength and durability. They are available in various lengths.
